BVM VIRTUAL TOUR 2020

Students who formally register for the tour to watch on zoom will receive a FREE "Your Bridge to History" This childrens book is the recipient of national-level awards. All virtual tour participants will be inspired to investigate African American History, especially the Civil Rights Movement, on their own after this experience

We expect that this virtual tour will also have a tremendous, positive reputational impact for the city of Omaha and the state of Nebraska. The virtual tour will have national reach. Marketing will include Eventbrite, radio, social media, and a robust network.

The tour's executive producers are four urban organizations, including Black Votes Matter Institute of Community Engagement, The NOISE Organization, GINOSKO.co, and the Great Plains History Black Museum. Our host for the tour will be Dr. Viv Ewing.
