SESSION TOPICS

DATES

Black History Reinforced

Black History is American history and provides a basis for understanding how this country operates today. We'll learn how the past is connected to the present both locally and nationally.

Reconstruction to Jim Crow

Learn about Black history from 1870 through 1890 and its impact on the present.

Jim Crow to Civil Rights

Learn about Black History from 1890 to 1955 and its impact on the present.

Civil Rights to the Present

Learn about Black History from 1955 to today and how we impact the present.

What is Civic Engagement?

Civic Engagement is the foundation for how change is created in our society. Each person holds the power to be effective and determine the destiny of our own community.

Government Explained

An introduction and exploration of all 3 levels of government

Civic Engagement

Learn what the types of civic engagement are and how you fit into the civic community.

Create your Political Power

Explore how to define and employ your own political power.
